## Covid19

Further to the ongoing Covid19 pandemic we are asking all Players & Parents to cancel their standing orders for monthly payments to Glasgow Girls & Women FC as soon as possible so as to not be charged from April 2020 onwards.

The club will reinstate these when we return to playing & training.

The first month we return we will not have a charge as we will use the payments everyone has made for March 2020.

We hope every Player & Parent understands that we do not want to collect monthly fees while we have been told by the footballing authorities not to train or play.

To cancel please contact your bank or please cancel via the banking app on your phone.

The club will continue to work in the background and our social media platforms will be updated regularly.

On behalf of Glasgow Girls & Women FC we hope everyone stays safe during this period.

Thank you, GG&WFC Committee
